My first brew checklist

BREW KNIGHTS | Chino, California | Est. 2013

Fill in and save with a PDF app, or print and write by hand.
Follow the complete instructions for your chosen kit and equipment.

1. Plan your batch

Name

Planned brew date

Ingredient kit / beer style

Batch size

Yeast

2. Before you start

- [ ] I know the batch size and have enough space.
- [ ] I checked whether ingredients and yeast are included.
- [ ] I know what kettle, heat source or other gear I must supply.
- [ ] I checked the cleaning and sanitizing supplies.
- [ ] I know whether bottles, caps or keg equipment are included.
- [ ] I have read the complete instructions.

3. Keep a few notes

Supplies or extras I still need

Instructions location / questions / notes

Recipe ingredients and equipment may be sold separately. Check your exact kit contents.
